MULTIPLE SPORT ATHLETES

TKA Student-athletes are encouraged to participate in multiple sports during a calendar year. **Athletes are prohibited from participating in more than one sport in the same season**. If a student-athlete participates in two sports where the seasons overlap each other, he/she should notify the coaches of both sports as soon as possible so that the coaches can communicate with each other about the availability of the athlete to participate in the second sport. If there is a disagreement between the two coaches about what is acceptable, the Athletic Director will make the final decision to determine availability. Please know that in most cases, priority will be given to the first sport.

RESULTS

Team rosters will be emailed through TeamSnap. Rostered players will receive an email with the link to register for the Spring 2027 season.

SPORTS PHYSICALS & FORMS

Turn in the following to the TKA Athletic Department no later than December 14th.

Students are REQUIRED to have a current physical form on file in the Athletic Department prior to participating in tryouts that indicates that the student is physically approved for participation. Our policy states that the physical needs to be valid for the entire sports season. **(Note: If your child receives a physical after April 1st, it will be good for the entire following school year.)** If you are unsure whether your physical is current, please contact Roni Redd rredd@thekingsacademy.org

SPONSORSHIP PROGRAM

We are excited to offer this opportunity to support our student-athletes and athletic programs while building relationships with businesses in our community!

Families can secure sponsorships from multiple businesses to help cover their athletes' registration fees. **70% of their sponsorship amount will go directly toward the designated student-athlete's registration fees.** The remaining 30% goes toward printing and design costs.
