

AES APPROVAL PROCESS

AES Student-Athletes will need to be approved for participation by TKA Athletic Department and GAPPS (MS) or GIAA (HS) prior to tryouts. For sports that do not have tryouts, AES Student-Athletes must be approved prior to registering for a sport.

PART 1 - TKA AES APPLICATION FOR ALL AES ATHLETES

Each academic year, AES (homeschooled) athletes interested in participating in TKA Athletics will need to complete the following:

1. Fill out the AES Interest contact form found on the TKA Athletic Forms website
2. When we receive the interest form, the Athletic Department will email a link for the parent and student athlete to complete the TKA AES Application. Cost \$40/athlete.
3. If the student's application is approved, they will need to go through the steps below.

MIDDLE SCHOOL – GAPPS

PART 2

GAPPS approval is required before an athlete can participate in tryouts, practices and meets. GAPPS will charge you a \$50 fee per student each year. If your student's eligibility is denied for any reason, your fee will be refunded by GAPPS.

1. Begin by going to the GAPPS AES Application Parent Portal <https://aes.gappsports.com/>
2. Download and read through the Parent Handbook and Application Instructions
3. Follow directions on the Application Instructions to create an account, add your students who will be participating in sports with TKA Athletics as a homeschooled student, and upload your documentation. If you have other children who plan to play a winter or spring sport with us, we recommend that you go ahead and submit paperwork for all of your children now. Make a note of your login id and password since you will need to access this site each year.
4. Please email Victoria Matteson vmatteson.asst@thekingsacademy.org to let me know that you have completed the application so that I can monitor the approval process for your student.
