

TKA Knight's Financial Aid Application

Limited financial aid is available in some programs for athletes who are in need of financial assistance. The amount of assistance is limited each year, and based on availability on a first-come, first-served basis. The Financial Aid Committee may have to make qualifying adjustments based on the availability of funds. Following this review, the applicant will be notified regarding their eligibility. Financial Aid is granted based on financial need only, and is not based on playing ability.

Completed Financial Aid requests must be received no later than the final night of assessments in order to determine eligibility of players.

All Financial Aid requests are strictly confidential. Information is for the sole purposes of helping the Financial Aid Committee determine financial aid eligibility and will not be shared with anyone except the Committee. Please return the completed application to: **Michelle Rutledge, Athletic Director at The King's Academy**

Expectations of Families Receiving Financial Aid:

Families receiving financial aid are required to volunteer in support of team duties. The player or player's family will be required to volunteer time at some level as a trade-off for receiving Financial Aid. Unusual circumstances will be evaluated on an individual basis, and exemptions granted based on Financial Aid Committee approval.

Statement of Need/Request: (please provide any information you feel the committee should take into account when considering your application for financial aid. i.e. change in employment, change in marital status, substantial medical expenses, or other extenuating circumstances.)
