HIGH SCHOOL ELIGIBILITY POLICY

A student must not have reached his/her 19th birthday prior to September 1st of the current school year. A student has eight (8) consecutive semesters or four (4) consecutive years of eligibility from the date of entry into the 9th grade to be eligible for interscholastic competition. This means that once a student designates, they are a high school student, their eligibility clock starts ticking.

Students not attending The Kings Academy must remain living at home during their Senior year and must not "walk" during Senior Recognition at games or banquets until they are graduating from high school.

Players will be publicly recognized and awarded as seniors only once at Knights' events.

AES (homeschooled) Seniors are required to sign this Senior Exit form which will serve as a binding contract that their participation with The Kings Academy Knight's Athletic program has ended.

We acknowledge that we have read The Kings Academy High School Eligibility Policy and agree to abide by these guidelines. We understand that according to this policy, the above-named student's eligibility to participate in this Athletic program will end once this season is completed.
